2017-04	HR 3364, the Countering America's Adversaries Through Sanctions Act	Constitutional	Since this bill was first introduced, I have expressed my concerns to Congress about the many ways it improperly encroaches on Executive power, disadvantages American companies, and hurts the interests of our European allies.	1	0	1

			<p>...the bill remains seriously flawed – particularly because it encroaches on the executive branch's authority to negotiate. Congress could not even negotiate a healthcare bill after seven years of talking. By limiting the Executive's flexibility, this bill makes it harder for the United States to strike good deals for the American people, and will drive China, Russia, and North Korea much closer together. The Framers of our Constitution put foreign affairs in the hands of the President. This bill will prove the wisdom of that choice.</p>			1
